"Continuing" includes children who were served during a previous analysis period and continue to be served during the present analysis period.

"New" includes children who were not served during a previous analysis period.

"Unknown" includes children for whom it could not be determined whether or not they had been served by the program before.

All percentages are calculated from the total number N. Percentages may not add up to 100% due to rounding.

Unknown				

"Continuing" includes children who were served during a previous reporting period and continue to be served during the present reporting period.
"New" includes children who were not served during a previous reporting period.

All percentages are calculated from the total number N. Percentages may not add up to 100% due to rounding.

[&]quot;Unknown" includes children for whom it could not be determined whether or not they had been served by the program before.
